Tutor

Originally from Brussels, Belgium, **Pierre Lemaire** is a graduate of the Wharton School of Business of the University of Pennsylvania. He completed graduate work at Wharton (ABD) before founding Beta Educational Services, LLC in 2005. Since then, Pierre has become the most recommended CIMA® prep provider among financial professionals. His logical and intuitive approach serves his clients well beyond test time. The small group setting ensures program attendees a differentiated educational experience. Pierre proffers his philosophy when delivering corporate training and consulting sessions on topics from calculus to debt instruments to performance measurements. Pierre lives in the Philadelphia area with his wife and two children. He loves to travel, 'date night', and his HP-12c.

Tutoring for CIMA® Certification

Live Two Day Prep (\$895)

Ideal for the individual who prefers a live structured environment, the course provides instruction in a concise, intuitive, and fun manner. Until IMCA's transition is complete, the two-day course provides detailed instruction for both the Level I and Level II exams. Questions and discussions on the material will be encouraged. Participation will be limited to induce an optimal learning atmosphere. It is taught all over the country throughout the year and can be provided for companies upon request.
