

Dr. Kurt Beyer is a Lecturer at UC Berkeley's Haas School of Business and Faculty Director of several custom programs at Berkeley Executive Education. Professor Beyer discusses working with government entities in Dubai and UAE on innovative initiatives.

Kurt Beyer: I'm Dr. Kurt Beyer from the University of California, Berkeley and I'm here in the UAE and Dubai working with government innovation and over the next days we'll be discussing the secrets of the San Francisco Bay innovation ecosystem, what the parts of that ecosystem are, and then how some of those parts can maybe be moved over here to the UAE.
